The True Heroines

Meet Dottie, Margie and Pearl, three seemingly typical 1950's housewives who are *anything* but!

You see, these ladies were all spies for the Allied Forces in World War II. On top of that, they each possess superpowers!

With the war being over, these ladies face a new peril - someone is trying to kill them. But why?

Osiris

Osiris The Series is a sci-fi action thriller about a 300-year-old man who can not die. After spending several lifetimes seeking the source of his unusual affliction, Osiris finds himself the target of a shadowy organization intent on capturing him for their own purposes. They are going to get far more than they bargained for.

Join the adventures of the mysterious, immortal [Osiris](#)

HPlus The Digital Series

Set in the near future, an implant has been invented that allows people to access the internet and communicate - without a computer, tablet, or smartphone.

However, things go horribly wrong when the implants are mysteriously deactivated.

Witness what happens when humanity goes offline [HPlus](#)

Heroes Of The North

This ambitious transmedia web series chronicles the exploits of a Canadian superhero team.

Prepare to become immersed in the world of the [Heroes Of The North](#)

Journey Quest

This epic adventure pays homage to classic fantasy novels filled with wizards, warriors, magic, and quests.

It's as if a *Dungeons & Dragons* campaign was brought to vivid life!
